Attachment: Replacement Figures 3 and 4

**REMARKS**

Claims 1 to 24 are pending in the application.

**Sequence compliance**

The sequences appearing on pages 2, 21 and 24 of the present application and in Figures 3 and 4 have been identified with their respective sequence identifiers. Those sequences have also been inserted in the sequence listing herewith submitted both on paper and as a computer readable (CFR) copy, along with a declaration to the effect that both copies of the sequence listing are identical and do not introduce new subject matter (statement under 1.821 (f)).

The Applicant submits that no new matter has been added by the present amendments.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.

No additional fees are believed to be necessitated by this amendment. However, should this be an error, authorization is hereby give to charge Deposit Account No. 19-5113 for any underpayment or to credit any overpayment.

Respectfully submitted,

Date: February 23, 2006
